Terms and Conditions:

By checking the box below, you request that Service 1st defer your loan payment(s) as indicated. You agree and understand that:

1. INTEREST will continue to accrue (at the rate provided in your original loan agreement) during the skip period and will be paid before any payments, once payments resume.
2. Deferring your next payment will result in your having to pay higher total INTEREST than if you made your payments as originally scheduled.
3. This payment deferral will extend the term of your loan(s) and you will have to make extra payment(s) after your loan(s) would otherwise be paid off.
4. You will be required to resume your regular monthly payments in the following month.
5. PROCESSING FEE applies to one monthly payment or two consecutive bi-weekly payments.
6. If recent data shows that you have been delinquent on the above-mentioned loan(s) for any reason, the credit union reserves the right to deny your application for Skip-A-Payment. If your request is denied, the credit union will contact you.
7. Loan types available for this option are closed-end home equity loans, auto loans, consumer loans, and recreational vehicles. This is not available on home equity lines of credit, personal lines of credit/flexlines, student loans, commercial/business loans, credit cards, and first mortgage loans.
8. Loans must be open for 6 months.

9. If you request a skip when an account has an Electronic Funds Transfer/Automated Clearing House Record(s), additional limitations set forth below will apply.
10. In the event of an EFT Record to a direct loan, the next payment due date will be 4 weeks from the skipped payment due date regardless of when the skip was initiated. EFT Record to a direct share will NOT be skipped automatically; contact the financial institution if you wish to skip the payment.
11. If you previously elected credit life and/or disability insurance, the insurance coverage will not be extended beyond the original maturity date.
12. Additional restrictions may apply.
13. If you previously elected GAP, skipping payments may affect the GAP payout at total loss.

I agree to the Terms and Conditions Shown above.
