## ACCOUNT DISCLOSURES

**Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are certificate accounts.**

- 1. RATE INFORMATION** — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Certificate, Youth Certificate, IRA Certificate, and Monthly-Pay Certificate accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of the account. During the term of your Bump-up Certificate account, you may elect to change the rate once during the initial term of the certificate. The rate will be changed to the rate currently in effect for a 48-month certificate. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.
- 2. DIVIDEND PERIOD** — For each account, the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.
- 3. DIVIDEND COMPOUNDING AND CREDITING** — The compounding and crediting frequency of dividends are stated in the Rate Schedule.
- 4. BALANCE INFORMATION** — To open any account, you must deposit or already have on deposit the minimum required share(s) in any account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For all accounts, dividends are calculated by the daily balance method which applies a daily periodic rate to the principal in the account each day.
- 5. ACCRUAL OF DIVIDENDS** — For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.
- 6. TRANSACTION LIMITATIONS** — After your account is opened, your ability to make additional deposits to your account or withdrawals of dividends and any limitations on such transactions are set forth in the Rate Schedule.
- 7. MATURITY** — Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.
- 8. EARLY WITHDRAWAL PENALTY** — We may impose a penalty if you withdraw any of the principal before the maturity date.
  - a. Amount of Penalty.** For all accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:  
 For Certificate, IRA Certificate, Bump-up Certificate, and Monthly-Pay Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:
 

Terms of 12 months or less	90 days' dividends
Terms of over 12 months	180 days' dividends
  - b. How the Penalty Works.** The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.
  - c. Exceptions to Early Withdrawal Penalties.** At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:
    - (i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
    - (ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59½ or becomes disabled.
- 9. RENEWAL POLICY** — The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you will have a 10-day grace period after maturity to withdraw funds without being charged an early withdrawal penalty. To avoid a withdrawal penalty, all withdrawals must be made within 10 days after the maturity date.
- 10. NONTRANSFERABLE/NONNEGOTIABLE** — Your account is nontransferable and nonnegotiable.
- 11. MEMBERSHIP** — As a condition of membership, you must purchase and maintain the minimum required share(s) and pay a nonrefundable membership fee as set forth below.

Publish Date:   5/1/21  

SHARE VALUE/MEMBERSHIP FEE	
Par Value of One Share	\$5.00
Number of Shares Required	1
Membership	\$1.00
